

### **FROM THE HEART OF PASTOR BEAVERS:**

We exist to know Christ and make him known to the entire world. Easter 2023 - Easter 2024, 1,004 people said YES to Jesus through THE STAR Church. January 2024 - October 2024 753 people have said YES to Jesus through THE STAR Church. God is using us to fill up Heaven and empty out hell.

We have been mandated by God to continue this work, and one of the ways that we do it is through campus expansions. In 2021, we purchased our Sylacauga Campus which is now contributing to the mission of filling up Heaven and emptying out hell. This campus, AS IS, was \$550k in market value and was purchased for \$35k. We renovated the campus, and the market value is now just over \$1M.

We now have the opportunity to do the same thing in Forestdale, AL; and we will soon have the opportunity to do the same thing in Pell City, AL. We will complete the \$82k purchase of our Forestdale location in December 2024, which has an AS IS market value of \$500k+, and began renovations in January 2025.

This year's SHOOT FOR THE STARS MEGA Offering will go to the purchase and renovations of our Forestdale location; as well as to our other community developments efforts of education, financial literacy, workforce development, housing, and recreation. We are believing God for \$400k+ in this year's SHOOT FOR THE STARS MEGA Church Offering.

Thank you in advance for your generous contribution. There is an Eternal Return On Your Investment. One day when you get to Heaven, people you've never met will tell you THANK YOU. Your dollars enabled a campus to be built and launched, which gave others the opportunity to say YES to Jesus and make it into Heaven eternally.
